Meet the teacher
What a fantastic response to our “Meet the teacher” sessions. Our teachers were very excited to see so many supportive families on this day. We look forward to continuing our regular communication with you as our year progresses. Remember, you can make an appointment any time with your child’s teacher.

Bus turn bay
The safety of our students arriving at school in the morning is a priority for us all. Could you please ensure when dropping children off in the bus bay that your children get out on the passenger side of the car. Please be mindful of the bus, other parents and staff who may also be trying to get through. This is a quick drop off point. If you need time to organise your child’s belongings, I would suggest you drop them off outside this bay. We appreciate your co-operation.

Year 6 to High School
Don’t forget that this Thursday night is the Bowral HS information evening. Notes have gone home with students regarding this. Shortly, year 6 will be given their expression of interest paperwork for high school. It is important that all parents of year 6 students complete and return the form ASAP, regardless of which high school you intend your child to go to.

Student attendance and safety
It is a legal requirement that all students attend school each and every day that they are well. It is a parental responsibility to ensure children attend school. If this is a difficulty for you, do not hesitate contacting the school. We can work together to assist your child. Please remember that staff are only on duty from 8.30am in the morning. Please try to ensure that your children are not at school before this time. There is no supervision. OOSH services are available for you in the morning if needed.

Surveys
Thank you to all of our families who have returned the school satisfaction survey. We value your input in how we can make Colo Vale School the best school in our area. Today you will receive two further surveys which will assist us to better plan for technology and reading.
